Why a Licensed Consultant?

- ✦ Applying for a visa can be time consuming and at times a complicated process. Licensed consultants have specific knowledge and skills that reduce the visa applicant's exposure to undesirable elements of the visa application.
- ✦ Migration rules and regulations are extremely strict and specific. So, an applicant who is unaware of all the conditions can easily lodge an invalid application.
- ✦ Visa applicants are not always aware of the most suitable visa for their circumstances because of the numerous visa subclasses. Our consultants will guide you to the most appropriate Visa.
- ✦ Incomplete or inaccurate visa applications will lead to time delay and may possibly require re-application. In addition to that the Government will not refund the application fee at any circumstances.
- ✦ Applicants can be requested to provide more information or attend interviews by the concerned authority. Licensed Consultants are in the best position to guide applicants through these situations.
